

Being a column in which the publisher just "blows off the steam."

By Willard Jones

**MORE AND MORE** people are agreeing that the social security plan is not stable; that the government is forcing an impractical government-in-business scheme on the public.

A reader recently had this to say:

Suppose an insurance man called on you with a completely new idea in insurance. He offers you a policy that can be raised or lowered in premium payments, but with no thought of ever lowering them. His company is in debt for sums larger than it can hope to collect in premiums in the next thousand years. Would you buy such a policy?

As a matter of fact, you have, and you are compelled by law to make the premium payments. The company is the U. S. government and the insurance you buy goes by the name of social security!

**JACK RUSSELL**, in speaking at the Lions Club luncheon meeting Tuesday at noon, paid tribute to the fans of his home town for the high type of sportsmanship that has been displayed in the recent past by fans relating to visiting teams and fans and officials.

In his Lions Club talk he mentioned the responsibility of the fans in maintaining a sportsmanlike atmosphere at the games, reminding that the host city is always responsible for the safety and right treatment of officials.

**THE STENO SEZ** is the title of a clever column of palaver written by Corrine Secor in The Katy Magazine, coming to our desk monthly. Below we reproduce some recent squibs taken from the column:

Uncle Willie says it's amazing the things that women would rather have than money.

Famous last words: "I never did go back from my coffee break."

Words you may regret, to a girl in front of a jewelry store: "Let's go in and look around."

Temper—What you can't get rid of by losing.

The trouble with women around the house is that they are seldom there.

Safety feature of the new cars will make it harder for motorists to kill themselves, but if we know the breed they'll respond to the challenge.

A race horse is a remarkable animal. It can take thousands of people for a ride at the same time.

**HAL COCHRAN** writes an interesting column, called "Barbs" in The Fort Worth Press. Some of his quips deserve reprinting in this worthy column:

The tourist who says he's going to start out at 5:00 o'clock in the morn is the same fellow who says he can open a road map without any trouble.

When there's a wishbone where the backbone ought to be it's hard for a person to get ahead.

If it weren't for neighbors, what would be people next door have to talk about?

The drive-in theater is the perfect place for some drivers. They can sit behind the wheel and not think.

An Eastern couple started out on their honeymoon on roller skates. When that's over they'll get their bearings.

**INCONSISTENCY** in our falling in many of our dealings with others. A poet has pointed to this shortcoming in this manner:

There's one end truth in life I've found,

While journeying east and west: The only "fact" we really wound Are those we love the best. We flatter those we scarcely know We please the fleeting guest, And deal full many a thoughtless blow

To those who love us best.

**A HAMLIN SWAIN** makes some observations and comments that are worthy of this column...

To stay young you should wash your hands and face every morning—and neck at night.

Indoor sports are all right—if they go home at a reasonable hour.

In spite of the growing popularity of canned and frozen fruit juices, most of the young fellows still like to squeeze their own tomatoes!

**RAIN TALK**—Captain Howard T. Orville (center) of the U. S. Navy, retired, of Washington, D. C., chairman of the president's advisory committee on weather control, spoke before the Texas Water Resources Committee in Austin on artificial rain making. At left is O. G. McClain of Corpus Christi, government appointed member of the committee, and Senator George Parkhouse (right), chairman of the committee.

## Ample Mexican Labor in Area For Meager Cotton Harvest

### Placement Agent Helping Hamlin Region Farmers

Although cotton picking labor will not be too much in demand this season in the Hamlin section, the Texas Employment Commission will assist in the placement of what Mexican nationals will be needed.

This announcement was made last week-end when S. H. Southall, manager of the Abilene office of the TEC, told a Herald representative.

David Osborne, labor placement representative with the TEC Abilene office, will be in Hamlin a day or two a week offering assistance to farmers and workers, Southall declared.

Osborne will make his headquarters at the Farmers Cooperative Gin in Southeast Hamlin. Farmers wishing to contact Mexican workers are asked to contact the Hamlin gin, which will pass the word on to Osborne.

Facilities of the transient labor camp one block west of the Santa Fe depot, provided by the Hamlin Chamber of Commerce, will be available for transients pending their placement in the area, it is announced.

The Atomic Energy Commission was established in 1946.

### Six New Picnic Tables Provided at City Park as Project of B&PW Club

Six new picnic tables will make picnicking at the Hamlin City Park more pleasant and more convenient—thanks to the efforts of the Hamlin Business and Professional Women's Club.

Last year a good citizen made a contribution of \$48.70, the club reports, which was the catalog price of a picnic table and concrete slab for the City Park. The contribution was handed to a member of the B&PW Club with the understanding that this organization would solicit funds from local merchants and others to secure the needed facilities for the park.

At that time funds were being solicited for the balance needed to complete payment of note on the swimming pool, and the club felt it would be unwise to ask for contributions for the tables at that time.

This summer, however, there were so many complaints of the lack of picnic facilities at the City Park that the B&PW Club decided

### Deadline for Filing Gas Tax Refund for Farmer September 30

Deadline for filing by farmers and ranchers their claims for refund of federal tax on gasoline used on the farm is September 30, according to Bill Lehmborg, county agent.

Farmers are allowed a two-cents-per-gallon refund on gasoline used for farming between January 1, 1956, and June 30, 1956.

Form 2240 is used for this purpose and is available at the county agent's office. Many post offices and banks also have a supply of the forms.

According to Lehmborg, the forms are short and easy to fill out. Any question on the federal gas tax refund can be referred to the county agent's office.

### District Governor to Lions Meet Speaker

No day-time meeting of the Hamlin Lions Club will be held next Tuesday because of the ladies' night banquet Tuesday evening at the Primary School cafeteria. President Edgar Duncan announced this week.

District Governor Lester Brooks of Iowa Park, will be speaker for the affair. Joe Childers of Abilene, international Lions director, also will be a guest.

### Auto Inspection Begins Saturday For Area Motorists

Hamlin area motorists were being advised this week that inspection of motor vehicles under provisions of the Texas motor vehicle inspection law will begin Saturday, September 15, and continue through April 15, 1957, according to the Texas Department of Public Safety.

Colonel Homer Garrison Jr., director of the department, said in announcing the inspection period that motorists should have their cars and trucks inspected as soon after September 15 as possible in order to save themselves the inconvenience and delay usually associated with the inspection procedure.

George W. Busby, chief of the DPS motor vehicle inspection division, stated that more than 4,200 licensed inspection stations in the state would have sufficient supplies of stickers on hand by the starting date and would be equipped to check vehicles without delay.

Five inspection stations were designated in Hamlin last year.

**FIRST SOIL BANK PAYMENT**—Charles B. McClure, Burk Burnett farmer, accepts check at Wichita Falls for \$1,225.12 for 29.7 acres of cotton plowed under the 1956 soil bank program. R. C. Flott, soil bank specialist at College Station, said it was believed the first such payment made in Texas and one of the first in the nation. Making the presentation is Clerk Wenzella Walsh. Bob Crocker, ASC man (center) looks on.

### Back-to-Church Movement Pushed By Minister Group

Back-to-church movement is being conducted during the month of September in the churches of Hamlin under the leadership of the Hamlin Ministerial Alliance, according to officials of that organization.

Publicity being promoted by the pastors' organization is emphasizing: "Vacation is over. Your church is calling you. Heed this call in person. Lead the way for others."

"The church represents the force that is to save the world from destruction. The church has conceived and sponsored most of the great reforms. The church gives the urge of leadership, supplies encouragement when despondent, and offers rebuke when self confident. The church is the best place to share our abilities and resources. The church at its best is still the world's best."

"Church going families are happy families. Because the statistics indicate that only one-fourth of our citizens attend church regularly, we wish to urge Hamlin to this special call—to make September a record month in church attendance."

### Library Open Hours Moved to Afternoon

Operating hours of the Hamlin Memorial Library were changed from morning to afternoon when a called meeting of the Hamlin Woman's Forum, sponsor of the library, was held September 5 in the Hamlin High School library room.

The library will be open each afternoon from 1:00 to 5:00 o'clock.

Mrs. Jerry Rollis will be in charge on Monday and Thursday afternoons, and members of the nine participating forum clubs will serve on the remaining days of the week. Each club will furnish a librarian for one week, the session decided.

### First P-TA Meeting of Year Set Thursday

First meeting of the new year has been scheduled by the Hamlin Elementary Parent-Teacher Association for this (Thursday) evening at 7:30 o'clock at the Primary School cafeteria, announce P-TA officials.

This will be a get-acquainted meeting for parents and teachers, it is announced.

**GOVERNOR HITS AT LIBERALS**—Governor Allan Shivers locks over a booklet put out by the Liberal faction, which has fought Shivers' conservative group for years, during his press conference in Austin, and warned that the anti-Shivers group would try to seize control of the Fort Worth Democratic convention. He predicted a conservative convention.

## First Baptists Call Ranger Minister

Rev. Calvin Bailey, 30-year-old pastor of the Second Baptist Church of Ranger, was extended a call to the pastorate of the Hamlin First Baptist Church Sunday night following the evening preaching service.

Answer about acceptance of the call is expected to be given Sunday morning at the morning worship services of the local church, officials of the congregation told a Herald representative Tuesday.

Young Bailey had indicated he would accept the pastorate, but wanted to confer with his church at Ranger before making the decision, declared M. H. Castleberry, chairman of the pulpit committee of the local church.

### Top Attendance of Year Recorded by City Sunday Schools

Top attendance for the year was attained Sunday by the 13 reporting churches when 1,400 were recorded. This compared with 1,276 for the previous Sunday and with 1,200 a year ago.

### Hamlin FFA Group Presents Program on Station at Stamford

Members of the Hamlin Future Farmers of America chapter participated in the FFA radio program over Station KDWT, Stamford, Saturday. This program was sponsored by the Jones County Implement Company of Stamford.

Purpose of the program is to inform the people of the work being done by the various chapters. This series of radio program started August 1 and can be heard every Saturday at 12:15 over Station KDWT.

Saturday the Hamlin chapter presented a program concerning their experiences in raising blue panic grass.

Members of the team were Joe Cowan, Davey Weaver and Jerry Jay, senior agriculture boys, advised by Harold Eades and T. C. Blankenship, VA teachers.

### Nearly Million Dollars to Go to Farmers of Area

Jones County farmers are due to begin receiving their soil bank crop payment checks within a few days, it was indicated this week by the state office of the Agricultural Stabilization and Conservation Committee, in reply to queries made by the farmers.

In fact, the first check under the soil bank program was paid last week to a Burk Burnett farmer, according to state news dispatches.

Total of \$882,366 is due to be paid to Jones County growers, according to tabulations made by the county ASC office at Anson several days ago.

About 1,900 Jones County farmers will participate in the government payments for crops plowed under or those that failed to make because of the drought. A total of 71,154.7 acres were signed by the farmers for the program.

ASC county Chairman W. H. Cook tabulated the acres signed for the program as follows: 27,682.3 acres of wheat, which will pay \$159,744.80; 43,185.3 acres of cotton, which will pay \$720,326.56; and 287.1 acres of peanuts, which will draw \$2,295.10.

### DePriest School P-TA To Get Band Uniforms

Members of the Parent-Teacher Association of DePriest Colored School met Monday evening for the purpose of electing new officers and outlining plans for the year's work. Mrs. Billie Wansley was elected president of the unit. Other officers are to be elected at the next meeting.

Principal project approved for the P-TA was to work toward the securing of new uniforms for the band.

Methods of raising funds to purchase the uniforms will be discussed at the next meeting of the P-TA group, it is announced.

## Hamlin Area to Be Well Represented at Various Colleges and Universities

Young people of the Hamlin region were leaving by the dozens for colleges and universities for school terms this week—or were preparing to leave within the next several days—as they prepare to further their educations in literary and technical fields as well as preparing for business careers.

For the most part, colleges fairly close to home have been selected, but a few out-of-state schools also were attracting students.

Tabulations made by The Herald at mid-week may not include all the college students, and the paper would like to be advised of any omissions.

By colleges the students leaving include:

Draughon's Business College at Abilene—Marcene Crawford and Ann Cochran.

Arlington State College at Arlington—Justin Rowland.

Hardin-Simmons University at Abilene—Carl Young and Tucker Newland.

North Texas State College at Denton—Lusara Dean, Reba Rowland, David Cowan, Lawrence Cook, Peggy Briscoe and Joe Ray Rosenbaum.

Texas Technological College at Lubbock—Duck Weaver, Tobye Selers Weaver, Clifford Eoff, Atha Lea Grice and Angela Malouf.

Abilene Christian College at Abilene—James Eddie Jay.

McMurry College at Abilene—Mary Sue Daniels and Ann Holt.

Bethany-Peniel Nazarene College at Bethany, Oklahoma—Bobby Norton, Melvin Hames and Jeannette Higdon.

### Who's New This Week

Five new citizens have been recorded at the Hamlin Memorial Hospital since last report in The Herald. Two girls and three boys, they are:

A girl for Rev. and Mrs. Luther Walker of McCauley was born August 27 at 10:35 a. m. The seven-pound two-ounce little miss will answer to Karen Elaine.

A boy arrived for Mr. and Mrs. James F. Bishop of Hamlin September 3 at 9:23 p. m. After tipping the scales at seven pounds 13 ounces, he accepted Britt Dixon for a label.

A girl arrived for Mr. and Mrs. Bill Shira of Hamlin September 9 at 8:45 a. m. She will answer to Ruby Luann. She weighed eight pounds on arrival.

A boy was born to Mr. and Mrs. Charles Marshall Jr. of Hamlin September 9 at 7:55 p. m. The lightweight of the five at four pounds 13 ounces, he has been named Oscar Charles.

A boy was delivered to Mr. and Mrs. Donald E. Oliphant of Hamlin at 11:05 a. m. September 10. After balancing the scales at six pounds nine ounces he was named Tommy Gene.

## UNCLE SAM'S BUDGET SYSTEM NOT BUSINESSLIKE

In urging the adoption of the principles of the Hoover report, to streamline and economize the operation of our government, the U. S. Chamber of Commerce had an interesting thought. We quote: "An easy way for any business to go broke would be to adopt Uncle Sam's system of budgeting and accounting," and it goes on to point out, "Under this system Congress is appropriating money for a single year that won't be spent for some time to come."

Some of the things they are spending money for take more than a year to build. Hence, vast sums accumulate in the federal departments which will not revert to Congress, but stay with the departments, beyond the control of Congress. For the year ending June, 1956, this unexpended sum is estimated at \$53,900,000,000.

With that kind of money clogging up the pipelines of future spending, the opportunity for laxness and waste is all too tempting.

## In Interest of Survival

In these days when successful farming is a complete business and a highly skilled craft, modern farm equipment is absolutely essential. And many a farmer must sometimes wonder just what kind of industry produces that equipment. Is it a tight little group in which a few concerns are dominant and don't need to worry overmuch about competition?

The answer is an unqualified "No." An article in a recent issue of Fortune told the basic story when it said, "Some 1,500 U. S. companies are engaged in farm machinery manufacture. . . . Although competition for business is rough, there seems to be plenty of room for small companies with a good idea and a workable machine." Fortune then named several companies, regional and national, which were practically unknown a few years ago but have forged ahead and made solid successes.

The producers of farm equipment, in other words, are in the same position as the producers of practically everything else in widespread use. There are no monopolies. No one has any corner on ideas and innovations. The consumer, in this case the farmer, is offered a very wide selection when he starts looking around for a new piece of equipment. Each manufacturer and its dealers are competing vigorously with other manufacturers and their dealers. So each must, in the interest of survival, attempt to provide the most efficient and long lasting machine at the lowest price.

## Little Things Count

One day in Colorado a great stalwart tree fell down. It was 400 years old. It was a sapling when Columbus landed at San Salvador.

It had been struck by lightning 14 times. It had braved undaunted the storms of 400 years. It had defied earthquake and hurricane. It had laughed in scorn at the winter's blasts and blizzards that would have destroyed it.

But in the end the tiny little beetles killed it. They bored under the bark, dug into its heart, ate away its mighty fiber—and one day down came the lordly king of the forest. It is the little things that make us or break us.

As long as men are forced by the "union shop" to join a union and pay dues to that union in order to hold their jobs, the union has no moral right to use one penny of those dues for political purposes—Lovington, New Mexico, Leader.

We do not need to look to the federal government for help. Let's learn again the fine art of taking care of ourselves and our own.—Plainfield, Indiana, Messenger

## RECALLING Other Years

☆ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

### TWENTY YEARS AGO.

News notes of interest in the Hamlin community 20 years ago included the following, reprinted from the issue of The Hamlin Herald dated September 11, 1936:

Buna Rountree has returned to Wichita Falls, after a visit with her parents, Mr. and Mrs. J. D. Rountree. She has been with the Wichita County Relief Commission for the past seven months.

Marjorie Pardue is returning to her home at Monroe, Louisiana, this week after an extended in the home of her uncle, Dr. A. E. Pardue.

Jess Richard Bonds, one of Hamlin High School's graduates, has accepted a position with Terrell's Red & White Store. He is the son of Mr. and Mrs. Joe Bonds of the Abbie community.

Monday, August 31, Lawrence Ivey of Hamlin was married to Dorris Tubbs of Lubbock. Ivey is the son of Mr. and Mrs. W. W. Ivey of the Dovie community. They will reside at Lubbock.

George F. Hubbard, a former resident of the Neinda community, was killed in a car wreck south of Abilene Sunday.

### TEN YEARS AGO.

Among goings-on in the Hamlin community 10 years ago were the following, as recorded in the issue of The Hamlin Herald dated September 13, 1946:

Hamlin High School's Pied Pipers are the underdogs in Friday night's opening football game of the season, says L. B. Howard, head coach.

Hamlin Future Farmers of American judging teams went to the Texas Jersey Cattle Show at Waco and won first place. Kenneth Holloway, a member of the team, won an expense-paid trip to the National Jersey Cattle Show at Columbus, Ohio.

Jo Anne McCrary, daughter of Mr. and Mrs. J. W. McCrary, and Will W. Harbert, son of Mrs. Lala Harbert, were united in marriage Thursday evening at the First Methodist Church.

Good water supplies in tanks of the Hamlin area are making dove hunting good, according to hunters who have been bringing in the feathered game.

Dorothy Fern Routh left Friday for Midland, where she has accepted the position of public school music instructor. She was accompanied by her parents, Mr. and Mrs. Tom Routh.

### FIVE YEARS AGO.

Among happenings of the Hamlin community five years ago were the following, reproduced in brief from the issue of The Hamlin Herald dated September 14, 1951:

Rainfall in the Hamlin section has totaled 13.51 inches for the year so far, which is nearly normal for this period.

School enrollment in the Hamlin schools totaled 1,140 this week according to figures released by Superintendent I. R. Huchingson. This is a record enrollment for the local school system.

Bids on a proposed new municipal hospital for the City of Anson are due to be opened Friday.

The migratory labor camp erected by the Hamlin Chamber of Commerce is about ready for occupancy. It is scheduled to aid area farmers in securing transient labor for crop harvesting, according to Carl Murrell, CC president.

Production of more cotton this year than last season is seen by ginners and others. W. R. (Bill) Terry, Hamlin ginner, says he believes over 5,000 bales will be ginned here in comparison with last year's 4,300 bales.

### ONE YEAR AGO.

News items in the Hamlin community of one year ago included the following, condensed from the issue of The Hamlin Herald dated September 9, 1955:

Plans for the first annual homecoming of ex-students of Hamlin High School are going forward under the direction of Mrs. Bill Harbert and Mrs. Austin Poe. The gathering has been slated for October 14.

Lid on the football season will be blasted Friday night when two picked teams from Hamlin High School gridders will meet in a benefit game at the stadium.

New state taxes on gasoline, cigars, drivers' licenses and divorces became effective Tuesday.

Mrs. Holly Toler this week became the first Hamlin woman to be selected for duty on a county grand jury. Mrs. B. M. Brundage and Mrs. Bill Harbert also were called for jury duty.

## Farm Bureau Schedules Community Meetings in County To Talk Projects

September 22 was set as the tentative date for the annual convention of the Jones County Farm Bureau by the directors in their regular monthly meeting Monday evening at Anson officials of the organization announce. Every farmer, whether a member of the Farm Bureau or not, is urged to attend this meeting.

In addition to formulating recommendations and resolutions to be sent to the state convention, a report of county plans and progress will be made. Six new directors will be elected to fill the vacancies of those whose terms will expire. Delegates to the state convention, November 12-14, will also be selected.

A concentrated effort is being made to get every member of the Farm Bureau to participate in the development of policy for the organization from the county level to national headquarters, declares Harris Wright, service agent. Community meetings are planned throughout the county to allow every farmer an opportunity to make suggestions to be included in the resolutions adopted by the county convention and later forwarded to the state convention.

A tentative schedule for these meetings follows:

September 10—Neinda.

September 11—Hodges.

September 14—Hawley.

September 17—Ericksdahl, at Bethel Lutheran Church.

September 18—Noodle.

September 20—Tuxedo.

September 21—Nugent.

All these meetings will begin at 8:00 p. m. Several door prizes will be given to members and non-members at the county convention September 22, at the Anson High School auditorium, it is announced.

### Area People Among Reunion Attendants

Approximately 250 persons, including several from the Hamlin area, attended the sixth annual Comanche County reunion Sunday at Mackenzie State Park in Lubbock. Following a basket lunch, an old fashioned sing-song was led by Ben Stephenson.

Officers elected for the next year, all from Lubbock, are: J. S. Seitem, president; R. D. Cox, vice president; Ben Stephenson, program chairman; and Mrs. Ben Stephenson, secretary.

The group set the fourth Sunday in August as the reunion date for 1957.

Nine-pins are also known as skittles.

## Methodist Men Hear Address by Edwards

Men of the First Methodist Church and several guests were honored Monday evening to have as a guest speaker Rigdon Edwards, a prominent layman of Sweetwater.

President Carl Murrell of the Methodist Men's group, declares that plans are underway to make the organization one of the strongest auxiliaries of the church.

### Shortage of Good Cattle Reflected in Stocker and Feeder Sale at Fort Worth

Frank Reeves, dean of Southwestern livestock writers, in his account of the Angus stocker and feeder sale at Fort Worth last week, said, "The supply was short of the demand, and the pens were cleared early at strong prices. That about tells the story, declares Ted Gouldy, special market reporter for The Herald, who adds a few details in his release to the paper:

A total of 1,361 head were sold for a gross of \$113,624.24, for an average per head of \$83.32. Choice steers drew \$18 to \$26, and choice heifers drew \$17 to \$22.

This was about 1,300 head fewer in the sale than a year ago at this date and reflected the early movement that has taken place in the calf crop in this part of the country.

Twelve major markets reported almost 165,000 cattle and calves Monday, and the buyers sensed a lower market. However, after sparring around on the early rounds the trade at Fort Worth settled down to steady prices.

The offerings were mostly old cows and clean-up cattle and calves of various descriptions, indicating that cowmen in this territory are busily working pastures and getting herds shaped up for winter.

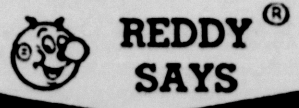

Buyers complained about the lack of high quality offerings in the run. However, some fed steers topped at \$24 and some fed heifers topped at \$23.

Comparative prices: Good and choice steers and heifers, \$17 to \$24; lower grades, \$10 to \$17; butcher and beef cows, \$9.50 to \$13; canners and cutters, \$6 to \$9.50; bulls, \$9 to \$13; good and choice fat calves, \$15 to \$18; lower grades, \$10 to \$14; stocker steer calves, \$14 to \$19; choice quotable to \$20 or above. Feeder steers and yearlings netted \$14 to \$20.

Hogs and sows opened steady at Fort Worth Monday. Choice meat hogs topped at \$17, and sows sold at \$13 to \$15. The off-weights and less desirable quality hogs bulked at \$14 to \$16.50.

Recent days have seen a pick-up in offerings of hogs over the country and this, coupled with the reports that feed sales of pig and hog feeds featuring stimulated growth factors has been very heavy, indicates the farms are rushing pigs to market to try and avoid the crush later this fall and winter.

Corn Belt experts in Iowa are predicting a \$13 to \$14 price on hogs when the peak runs hit in late fall or this winter. Last year they hit pretty close with a dire \$11 to \$12 prediction. Hogs did get to \$11 and under at times in the Corn Belt last year.

Top on fat lambs was \$26 at Fort Worth Monday, but something fancy was considered eligible to sell above that figure. Feeder lambs were in broad demand, some 65 to 85-pound feeders in the \$16 to \$16.50 slot. Fat yearlings sold around \$15 to \$16. Old wethers sold from \$12.50 down. Slaughter ewes held in line with last year's better market with most sales \$4 to \$4.50, and a few shells less money.

U. S. Department of Agriculture

Reason announced a 30,000-pound ground beef purchase program last week. The meat will be used for school lunch and other eligible federal relief programs. The beef purchase program was announced as movement of grass cattle became heavy all across the Western Plains. The program had been advocated earlier at a Washington meeting between USDA officials and members of the industry beef advisory committee made up of retailers, packers, producers, etc. It is the first beef purchase program in about two years aimed at support of livestock prices.

### People Urged to Save Broom Needs for Sale

Residents of the Hamlin community were being reminded this week of the forthcoming benefit broom sale that is being sponsored by the Hamlin Lions Club on Tuesday, September 25.

President Edgar Duncan and other Lions officials urged people to contemplate their present and future needs of brooms, mops, dusters, rubber door mats, etc. and purchase from the special truck that will be in Hamlin on September 25. The articles are made by crippled and blind persons. The Lions Club shares in the net

### Beef Consumption in Texas Hits New Peak

Beef raising ranchers of the Hamlin section and the rest of the country are gratified over the announcement that Texas beef eaters broke their own record and set an all-time high for summer beef consumption this year.

Results of a state-wide survey of food chains totaling 767 retail stores in all parts of the state were released this week by the Texas Beef Council. The council is now entering its third year of a state-wide educational program designed to increase beef consumption.

## Jones County 4-H Club Girls Compete in District Revue

Representing Jones County at the District III 4-H Club dress revue on Saturday, September 8, at the YWCA in Wichita Falls was Beth Adkins, daughter of Mr. and Mrs. Ben Adkins of Anson, and Margaret Hunter, daughter of Mr. and Mrs. Ab Hunter of Noodle.

Beth modeled in the class with girls over 14. She modeled a brown tweed sheath dress trimmed with brown velvet. Her accessories were brown. She was competing for the honor of modeling with three other girls from District III at the state 4-H Club dress revue in October at the State Fair of Texas in Dallas.

Margaret, who was high point winner for the junior division of the county dress revue, modeled a black-and-gold cotton skirt and a white blouse suitable for school. The dresses for the junior division were not judged.

A luncheon was held at 12:30 p. m. following the revue. Accompanying the girls were Mrs. Ab Hunter and Mary Y. Newberry, Jones County home demonstration agent.

## Women Golfers Form Association and Set Tuesday for Playing

Women golfers of Hamlin met Saturday afternoon in the home of Mrs. Stanley Carmichael to perfect an organization.

The Woman's Golf Association was formed, and following officers were elected: Mrs. Joe League, president; Mrs. Leroy Smith, first vice president; Mrs. B. O. Bell, second vice president; Mrs. Wilson Brannon, secretary-treasurer; Mrs. George Poe, reporter. Directors named were Mrs. Art Carmichael, Mrs. Wood Cowan, Mrs. Don Hymer, Mrs. S. C. Ferguson Jr., Mrs. John D. Ferguson, Mrs. Stanley Carmichael and Mrs. W. O. Willbanks.

Tuesday was chosen as ladies' day at the Hamlin Lakeview Golf Club. Any woman interested in golf may join the group by contacting Mrs. B. O. Bell and paying an annual fee of \$5.

## SENIORS SET CAKE SALE

## "Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests! Chances are you're putting up — unnecessarily — with the functionally caused PAIN, cramps and weak "no good" feelings of menstruation!

For in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if — give relief from those backaches, jitters — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" or "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions (that often cause "period" pain!)

## Wesleyan Guild of Methodist Church Meets Monday Eve

First meeting at the new time of Monday evening of the Wesleyan Service Guild of the First Methodist Church was held Monday evening in the home of Mrs. Joe B. Stephens. Mrs. L. W. Shivers was assisting hostess.

Lulan Vaughan, the president, conducted the business meeting and announced the district meeting, which will be held in Haskell Sunday. Other officers for the year are: Mrs. Shivers, vice president; Mrs. Zelma Hulse, recording secretary; Mrs. E. M. Wilson, promotional secretary; and Mrs. H. A. Johnston, treasurer.

Georgia Moore gave the devotional, and Mrs. Shivers presented an outline of the year's work, the theme of which is "The Islands Await His Word," and read the quadrennial goals for 1956-60. Mrs. Stephens gave an interesting discussion on "How Real Is the Kingdom?" using the apostles' creed as the central theme.

Honored guest of the meeting was Mrs. M. T. Hudson, who was president of the Woman's Society of Christian Service when the Guild was organized.

The hostesses served a salad supper to Miss Vaughan, Mrs. Hudson, Miss Moore, Mrs. E. M. Wilson, Mrs. H. L. Williams, Mrs. Lillie Whittenburg, Miss James, Mrs. F. F. Shout, Mrs. A. B. French, Mrs. Zelma Hulse, Mrs. H. A. Johnston, Pearl Hudson and Mrs. Earl Brown.

The women's group formerly had been held on Tuesday evenings, according to guild leaders.

## County Club Women To Have Part in National Convention

Three Jones County women will have a part in the first opportunity of Texas in being host to the National Home Demonstration Council, September 23 to 26 at San Antonio. They are Mrs. Noel Weaver of Neinda, Mrs. Vernon Stanley of Comper and Mrs. Frank Carter of Goodman.

There will be delegations from 41 state organizations and Hawaii and Puerto Rico. More than 2,000 are expected. National council officers are: Mrs. J. Homer Remberg of Middletown, Maryland, president; and Mrs. E. L. Survant of Trinchera, Colorado, secretary.

On Sunday evening a vesper service will be in charge of Dr. Imogene Bentley, dean of women at North Texas State College at Denton. Theme of the meeting will be "Prepared unto Every Good Work."

Monday night will be Texas Night, and Tuesday morning the group will be addressed by Hon. Allan Shivers, governor of Texas.

What is the Home Demonstration program for? A panel will be held Tuesday afternoon on citizenship, civil defense, family life, health and safety to answer this question.

A banquet, with an address by Oveta Culp Hobby, will close the meeting Wednesday night.

Where does Jones County fit into this? They have local Home Demonstration Clubs organized on a county basis. Counties are together in 12 districts, which in turn make up the state organization.

County delegates were nominated by their clubs and elected on a county basis. Mrs. Noel Weaver will serve as county chairman for 1956-57.

## Garden Club Meets in New Prewitt Home

## New Secretary for Fifty-Two Study Club Named at Meeting

Cracker and cheese sandwiches and cokes were served to members of the Fifty-Two Study Club last Wednesday when they gathered in the home of Mrs. Dean Witt in a called business session.

Mrs. J. T. Cox was elected as a new member, and Mrs. Harry Martin was elected as recording secretary to succeed Mrs. Truman Nix, who has resigned from the club.

It was announced by Mrs. Gerald Young, chairman of the finance committee, that the club will sponsor a game night Tuesday evening, September 25, at the Primary School cafeteria. The affair will feature bridge and forty-two. Pie and coffee will be served. Tickets may be purchased from any member of the Fifty-Two Study Club.

First regular meeting of the club will be a luncheon October 4 at the Abilene Petroleum Club.

## Committee Chairmen of B&PW Club Relate Duties at Year's First Meeting

First dinner and program meeting of the Business and Professional Women's Club for the new club year was held by members Tuesday evening at the Primary School cafeteria.

Program for the evening was directed by Lennie Greenway, first vice president and chairman of the membership committee. Others on the committee are Mrs. Kenneth Riddle, Mrs. C. C. Prater, Nettie Bowen and Mrs. Jess Young.

Chairmen of each of the nine standing committees gave the highlights of their duties, obligations and activities. Mrs. E. M. Wilson, district director, spoke on the four objectives of the club.

Mrs. Vera Nobles, president, introduced guests and new members. The guests were Patricia and Betty Bailey of Houston, Mrs. Everett Gibson, Mrs. Thomas

Ferguson and Rebecca Ann Ferguson.

New members introduced were Mrs. Earl Brown and Mrs. Harvey Elkins of Hamlin and Mrs. L. E. Rector and Mrs. T. E. Green, both of McCaulley.

Mrs. Joe McCary, pianist, and Mrs. Terry Haight, song leader, led the club in group singing.

The new yearbooks were distributed by Mrs. John Howard Jr., second vice president and program coordinator.

September business meeting of the club will be held on the third Tuesday of the month, September 18, at 7:30 o'clock in the foyer of the Farmers & Merchants National Bank.

### Game Returning To Actual Players Russell Tells Lions

"The game of football is being turned back to the boys," declared Jack Russell, football enthusiast and member of the Central West Texas Football Officials Association, when he spoke at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house.

Russell explained several new rules that are being used by grid officials this year. Among those with an odd quirk were: Possibility to score with no time; time-outs for change of equipment being charged to the team; man-on-end of line being eligible for pass; and illegal sideline coaching.

Russell pointed out that eight Texas schools are on suspension from football this year because of violations of rules by fans. He declared such a rule is robbing some 400 boys from participating in a great sport. Haskell is one of those schools.

Fred Smith, B. V. Newberry, Jim H. King, W. A. Pattillo and Edgar Duncan were named as an arrangements committee for the ladies' night banquet next Tuesday evening at the Primary School cafeteria, when the district governor will be an honored guest.

Besides Russell, other guests at the Tuesday luncheon meeting included Max Murrell, Doyce Nix of Durango, Colorado, and D. D. Shelburne of Snyder.

### Ball Point Pens Go in Service at Post Office

Uncle Sam has gone modern again. He has added new ball point pens to his equipment at the public desks at the post office in Hamlin.

The new pens appeared last week when Postmaster Perry F. Sparks received a supply of the new issue pens. They have small chains attached, which are secured to the desks to discourage misappropriation, Sparks points out.

### Four Hamlin Club Women Named to Federation Boards

Four Hamlin club women were recently named to the board of the First District, Texas Federation of Women's Clubs, for the 1958-59 administration when the group was announced by Mrs. W. Earl Buchanan of Fort Worth, district president.

The district board contains 10 departments that conform to the table of organization of the General Federation of Women's Clubs and three departments that are in the Texas Federation.

Mrs. Wilson Brannon of the Fifty-Two Study Club was appointed as Texas heritage department chairman. She will head the six divisions of this department.

Mrs. Noel Weaver of the Fifty-Two Study Club will serve as chairman of community service in the community affairs department.

Mrs. Ned Moore of the Fifty-Two Study Club will serve as adult education chairman in the education department.

Mrs. R. D. Moore of the Woman's Literary Club will serve as chairman of historical restoration and studies in American history in the Americanism department. The First District board will have its first meeting October 11 in Fort Worth, it is announced.

### Accident Insurance For School Students Is Available Again

For the past several years the Hamlin schools have been offering the children of the schools accident insurance, reminds Superintendent C. F. Cook this week as the project is being formed for the school year.

This insurance is offered to the children for a cost of \$2 per year. Neither the school nor any other person receives any commission for this service. The insurance has paid 100 per cent all claims presented by the hospital and nurse of the schools.

The administration and teachers recommend that each child be insured under this policy. If any parent needs information in regard to the insurance, they are asked to call on any of the school officials.

Next week material will be given each child in the school explaining the coverage and other information, Cook states. "Please read completely, and if you are interested, send the envelope back to your child's teacher."

### Officers Elected by Sunday School Class

New officers for the ensuing church year were elected when members of the Ruth Sunday School Class of the North Central Avenue Baptist Church met in the home of Mrs. L. H. Clark for the business meeting last Thursday.

Officers named were: Mrs. J. L. Fudge, president; Mrs. V. Madden, vice president; Mrs. A. G. Anderson and Mrs. Frank Martin, group captains; Mrs. D. A. Mullings, reporter; Mrs. Melvin Waggoner, social chairman.

Eight members and five visitors attended the session. Next meeting will be in the home of Mrs. Melvin Waggoner on October 4.

### New Interest in Tennis Is Basis for Organization Meeting Monday Night

High interest in tennis activities will take concrete form Thursday night as the Hamlin Tennis Association organizes its group for the coming year, according to leaders of the movement to engender city-wide interest in the sport. The association will be composed of all active and inactive tennis enthusiasts in the Hamlin area.

Perhaps the largest active age group represented will be the junior division consisting of those boys and girls who are 18 or under. Hamlin is fortunate in having many fine players in that division.

The active adult division received a boost with the arrival of Max Murrell, who has played tennis in service and college. Several other

competent players live in or near Hamlin and it is hoped that they will respond to the call of the courts again.

This year the HTA will be one of the members of the West-Texas Tennis League being formed in Abilene. This league functions as a round-robin tournament of area cities. The league's purpose is to provide competition for its member teams, especially in the youth division.

Local tennis associations are urged by the league to sponsor their young people to as many tournaments as possible throughout the year. The HTA will make plans for tournaments after organization is complete. Also the local HTA will sponsor another annual tournament.

### New Instruments for DePriest Band Arrive

Several new instruments have been added to equipment of the band at DePriest Colored School, according to announcement by Ellis Wamsley Jr., the new director of the music department. The new instruments include a bell lyre, drum and cymbals.

Wamsley states that he is trying to increase the standards of the DePriest music department.

Both band and choir units are doing good work. They are scheduled to appear in several parades and concerts during the year.

All local players and enthusiasts are invited to join the club, especially those who have youngsters in the development program.

The meeting will be in the high school cafeteria Monday evening at 7:30 o'clock.

### Harold H. Walker Doing Well in Dallas Air Conditioning Unit

Outstanding success has been recorded by Harold H. Walker of Dallas, husband of the former Bettye Sellers of Hamlin, in the installation of air conditioning units in churches of Texas in recent months, declares an article in The Dallas Morning News.

Walker, connected with the Texas Refrigeration & Engineering Company of Dallas, says his concern pioneered year-round air conditioning in churches of Texas. Among his first installations was the air conditioning of the First Baptist Church of Brownfield.

Harold and his wife, daughter of Mr. and Mrs. Cecil Sellers of Hamlin, reside at 5403 Anita in Dallas with their two children, Vickie Anne, five, and Harold Jr., three.

### Lester Minton's Go to Funeral for Mother

Mr. and Mrs. Lester Minton and son, Wesley, went last week-end to Harlingen to be at the bedside of his mother, Mrs. D. A. Minton. Mrs. Minton died Saturday after a lingering illness.

Funeral services were conducted Sunday afternoon at 4:00 o'clock at a Harlingen church.

## Pied Pipers Go to Spur with Revenge in Eyes Friday Night

### Big Delegation to Follow Gridders In Auto Caravan

The Spur Bulldogs will furnish the opposition when the Hamlin High School Pied Pipers sally forth Friday night in their second football engagement of the season, the tilt again being played away from home.

Another big delegation of fans is expected to follow the Pipers to Spur, according to leaders of the Pied Piper Booster Club, which is sponsoring the booster caravan to the Dickens County metropolis.

Head Coach Truman Nix says his charges came through the Roby game and work-outs first of the week in good shape, and he expects to throw a tough charging aggregation at the Bulldogs. The Spur crew last year trimmed the Pipers by a 19 to 13 score.

Probably the same starting line-up will be used in the Spur game. Nix announced Tuesday. The starters are:

Jerry Jay.....Left end  
Charles Jenkins.....Left tackle  
Davey Weaver.....Left guard  
Murl Don Smith.....Center

### DISTRICT 4-AA STANDINGS

District 4-AA football teams got off to a good start last Friday night, winning three of their four encounters in non-conference tilts. Anson Tigers were the lone losers, going down before a strong Coleman Bluecat barrage on the Coleman grid.

Opening standings look like this:

Stamford	1	1	0	1,000
Seymour	1	1	0	1,000
Hamlin	1	1	0	1,000
Anson	1	0	1	.000

#### Results Last Week

Seymour 40, Crowell 0.  
Hamlin 34, Roby 6.  
Stamford 42, Quanah 12.  
Coleman 34, Anson 0.

#### Where They Play Friday

Winters at Anson.  
Hamlin at Spur.  
Munday at Seymour.  
Ballinger at Stamford.

### Women's Golf Group Sets Tourney Tuesday

Hamlin Woman's Golf Association is sponsoring a nine-hole ladies' golf tournament next Tuesday at the Lakeview Golf Club, officials of the unit announce.

All women golfers wishing to participate should contact Mrs. M. L. Smith, tournament chairman, by Monday. The entrance fee will be 50 cents.

Play will begin Tuesday at 10:00 a. m. Attendants are asked to bring a sack lunch, and women who are unable to play are invited to bring their lunch and meet at the club house at 1:00 p. m. Coffee will be provided by the association.

Dee Prewitt.....Right guard  
Don Pyron.....Right tackle  
Lane Fletcher.....Right end  
Don Adair.....Quarterback  
Virgil Wilson.....Right halfback  
Doug Ford.....Left halfback  
Herbert Lahey.....Fullback

### Pied Pipers Take First Grid Game From Roby 34 to 6

Hamlin High School's Pied Pipers opened their grid season last Friday night with a thumping 34 to 6 victory over the Class A Roby High School Lions before a crowd of 2,000 fans, the largest crowd to see a football game at Roby in five years.

After being held scoreless for the first period, the Pipers broke loose in the second frame with three touchdowns to take command of the tilt.

Quarterback Doug Ford skirted end for 48 yards to the two-yard spot, and then went over on a keeper play in the next down. Charles Jenkins converted.

Ford repeated his 48-yard run five minutes later, and Herbert Lahey went over for the marker. Jenkins again converted.

Still a little later Virgil Wilson got away for 73 yards, being stopped one yard short of pay dirt, and again Lahey plunged the oval over. The extra point failed.

Lahey scored its lone marker in the second period when Tim Gilliam broke away for 70 yards and a touchdown, but Doug Simmons' try for extra point failed.

The Pied Pipers came back for more scoring in the third period when Lahey galloped 73 yards for a marker and Jenkins again converted. Jim Bryson completed the scoring with a 79-yard off-tackle play, and Jenkins again booted the extra pointer.

Guard Dee Prewitt and Ends Lane Fletcher and Fred Jay were standouts for Hamlin on defense.

### District 4-AA Teams Come Through First Week's Round With Three Wins

Four member teams of the District 4-AA loop fared pretty well last Friday night in opening grid tilts only the Anson Tigers going down before their con-conference rivals the strong Coleman Bluecats, playing on the Coleman field. Hamlin defeated Roby at Roby, Stamford trimmed Quanah, at Quanah, and Seymour, a new 4-AA member, downed Crowell on their home grid.

Coleman's 34 to 0 defeat of the Jones County seat boys started off only five plays after the kick-off, but the playing was not as lopsided as the score indicated. Anson racked up nine first downs to 16 for Coleman. The Bluecats made 226 yards rushing to 51 for the Tigers, and 106 yards in the air to 69 for Anson. Each team lost the ball twice by fumbles.

Byerly account for half the Coleman points on his touchdown run, scoring pass and four conversions. Seymour's Panthers waved a red flag at their new conference grid-ers with a 40 to 0 triumph over the Crowell crew Friday night on their home gridiron. Larry Walling scored three touchdowns for Seymour, while other scores were racked up by Wesley Thorn, Larry Martin and Eddie Syptak. The half ended 13 to 0, but the Panthers came back strong to push the tallies up to 40 in the last half.

### Junior High Gridders Open Play Tuesday Against Albany Crew

Coach Harry Martin's Junior High School gridders are set to open the season against the defending champions of the junior high conference next Tuesday evening on the Pied Piper stadium.

Albany enjoyed an undefeated season last year, trouncing the little Pipers twice during the year. Tuesday's game time will be 7:00 o'clock.

Hamlin's starting line-up probably will be:

David Bonds.....Left end  
Craig Hester.....Right end  
George Deel.....Left tackle  
Gary Cooper.....Right tackle  
Henry O'Neal.....Left guard  
Bobby Ellison.....Right guard  
Gary Williams.....Center  
Mike Bonds.....Quarterback  
Jody Ford.....Right halfback  
Wayne Boatright.....Left halfback  
Wesley Cummings.....Fullback

### Film of Hamlin-Roby Tilt Shown Boosters

Members and guests of the Pied Piper Booster Club saw a replay of Friday night's victory over the Roby Lions when a film of the grid season opener was shown Monday night at a regular booster group meeting.

The films, made by Johnny Steele and Clyde Lewis, were developed over the week-end.

Plans for another caravan of Pied Pipers backers to the Spur game Friday night were made by the booster club.

game was not quite so lopsided as the 34 to 6 score would indicate. The Pipers made 14 first downs to six for Roby while racking up 433 yards to the Lions' 183. Hamlin also made 60 yards in the air on a pass. Roby completed one pass but made no gain.

### Four Hamlin Football Officials Begin Duties

Four Hamlin men last week-end began their football season service as officials at area football games.

They are Dean Witt, Billy Joe Wilson, Brad Rowland Jr. and Jack Russell. They are members of the Central West Texas Football Officials Association. They have recently attended football rules clinics, studying special rule and changes being included in this year's games of the section.

### Caravan of Boosters Off for Spur at 6:45

Another caravan of Pied Piper boosters is expected to spearhead the second game of the football season Friday night under the sponsorship of the Pied Piper Booster Club.

Cars of fans will meet at the high school building at 6:00 Friday evening, where they will be decorated by high school girls. They will then go in a group to Spur, departing about 6:45.

Eighty-two cars of fans took part in last week's trek to Roby, and much enthusiasm was generated by the caravan, declare booster club officials.

### Prewitt and Fletcher Named Week's Pipers

Guard Dee Prewitt and End Lane Fletcher were named Pipers of the Week by members of the Hamlin High School football crew this week.

Two players will be named each week as Pipers of the Week, it is announced by Head Coach Truman Nix. The boys will be featured in school preparations for the game of that week.

## Student Enrollment At DePriest School Passes 160 This Week

Enrollment at DePriest Colored School in Hamlin has passed the 160-student figure, declared E. S. Morgan, principal, this week, as class and extra curricular activity got rolling.

The students, along with the teachers, appear to be filled with school spirit and all are eager to put their best into the year ahead, asserted Morgan.

New equipment has been added to the school facilities, such as new desks for students and teachers; chairs and book shelves. The walls of all the rooms have been painted harmonious colors, which add to the enjoyment of school.

"The school is very proud of the new facilities," the principal declared.

## THE PARABLE

herefore speak I to them in parables: because they seeing see not; and hearing they hear not, neither do they understand.

(St. Matthew 13:13)

THE PARABLE is the basis of all religious education. From infancy through adult life we learn spiritual truths only as they are interpreted for us in terms of every-day experience.

OUR CHURCHES follow the example of the Greatest Teacher. Simple precepts or more complex doctrines are brought to us in vivid illustration. Lessons, sermons, hymns—even church architecture and ritual—are full of human narrative, word pictures or traditional symbolism to help us grasp and apply God's truth.

SPIRITUAL MATURITY must come to us through the effective teaching and practical guidance our churches provide. Our souls cannot grow simply by seeing a church on the corner, or hearing folks talk about religion. Worshipping and learning every Sunday, we will understand Christian truth in living terms and use our understanding to serve God and man.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**MORE AND MORE** people are agreeing that the social security plan is not stable; that the government is forcing an impractical government-in-business scheme on the public.

A reader recently had this to say:

Suppose an insurance man called on you with a completely new idea in insurance. He offers you a policy that can be raised or lowered in premium payments, but with no thought of ever lowering them. His company is in debt for sums larger than it can hope to collect in premiums in the next thousand years. Would you buy such a policy?

As a matter of fact, you have, and you are compelled by law to make the premium payments. The company is the U. S. government and the insurance you buy goes by the name of social security!

**JACK RUSSELL**, in speaking at the Lions Club luncheon meeting Tuesday at noon, paid tribute to the fans of his hometown for the high type of sportsmanship that has been displayed in the recent past by fans relating to visiting teams and fans and officials.

In his Lions Club talk he mentioned the responsibility of the fans in maintaining a sportsmanlike atmosphere at the games, reminding that the host city is always responsible for the safety and right treatment of officials.

**THE STENO SEZ** is the title of a clever column of palaver written by Corrine Secor in The Katy Magazine, coming to our desk monthly. Below we reproduce some recent squibs taken from the column:

Uncle Willie says it's amazing the things that women would rather have than money.

Famous last words: "I never did go back from my coffee break."

Words you may regret, to a girl in front of a jewelry store: "Let's go in and look around."

Temper—What you can't get rid of by losing.

The trouble with women around the house is that they are seldom there.

Safety feature of the new cars will make it harder for motorists to kill themselves, but if we know the breed they'll respond to the challenge.

A race horse is a remarkable animal. It can take thousands of people for a ride at the same time.

**HAL COCHRAN** writes an interesting column, called "Barbs" in The Fort Worth Press. Some of his quips deserve reprinting in this worthy column:

The tourist who says he's going to start out at 5:00 o'clock in the morning is the same fellow who says he can open a road map without any trouble.

When there's a wishbone where the backbone ought to be it's hard for a person to get ahead.

If it weren't for neighbors, what would be people next door have to talk about?

The drive-in theater is the perfect place for some drivers. They can sit behind the wheel and not think.

An Eastern couple started out on their honeymoon on roller skates. When that's over they'll get their bearings.

**INCONSISTENCY** in our falling in many of our dealings with others. A poet has pointed to this shortcoming in this manner:

There's one end truth in life I've found,

While journeying east and west:

The only folks we really would

Are those we love the best.

We flatter them we scarcely know

We please the fleeting guest,

And deal full many a thoughtless blow

To those who love us best.

**A HAMLIN SWAIN** makes some observations and comments that are worthy of this column:

To stay young you should wash your hands and face every morning—hands and neck at night.

Indoor sports are all right—if they go home at a reasonable hour.

In spite of the growing popularity of canned and frozen fruit juices, most of the young fellows still like to squeeze their own tomatoes!

**RAIN TALK**—Captain Howard T. Orville (center) of the U. S. Navy, retired, of Washington, D. C., chairman of the president's advisory committee on weather control, spoke before the Texas Water Resources Committee in Austin on artificial rain making. At left is O. G. McClain of Corpus Christi, government appointed member of the committee, and Senator George Parkhouse (right), chairman of the committee.

## Ample Mexican Labor in Area For Meager Cotton Harvest

### Placement Agent Helping Hamlin Region Farmers

Although cotton picking labor will not be too much in demand this season in the Hamlin section, the Texas Employment Commission will assist in the placement of what Mexican nationals will be needed.

This announcement was made last week-end when S. H. Southall, manager of the Abilene office of the TEC, told a Herald representative.

David Osborne, labor placement representative with the TEC Abilene office, will be in Hamlin a day or two a week offering assistance to farmers and workers, Southall declared.

Osborne will make his headquarters at the Farmers Cooperative Gin in Southeast Hamlin. Farmers wishing to contact Mexican workers are asked to contact the Hamlin gin, which will pass the word on to Osborne.

Facilities of the transient labor camp one block west of the Santa Fe depot, provided by the Hamlin Chamber of Commerce, will be available for transients pending their placement in the area, it is announced.

The Atomic Energy Commission was established in 1946.

### Six New Picnic Tables Provided at City Park as Project of B&PW Club

Six new picnic tables will make picnicking at the Hamlin City Park more pleasant and more convenient—thanks to the efforts of the Hamlin Business and Professional Women's Club.

Last year a good citizen made a contribution of \$48.70, the club reports, which was the catalog price of a picnic table and concrete slab for the City Park. The contribution was handed to a member of the B&PW Club with the understanding that this organization would solicit funds from local merchants and others to secure the needed facilities for the park.

At that time funds were being solicited for the balance needed to complete payment of note on the swimming pool, and the club felt it would be unwise to ask for contributions for the tables at that time.

This summer, however, there were so many complaints of the lack of picnic facilities at the City Park that the B&PW Club decided

### Deadline for Filing Gas Tax Refund for Farmer September 30

Deadline for filing by farmers and ranchers their claims for refund of federal tax on gasoline used on the farm is September 30, according to Bill Lehmborg, county agent.

Farmers are allowed a two-cents-per-gallon refund on gasoline used for farming between January 1, 1956, and June 30, 1956.

Form 2240 is used for this purpose and is available at the county agent's office. Many post offices and banks also have a supply of the forms.

According to Lehmborg, the forms are short and easy to fill out. Any question on the federal gas tax refund can be referred to the county agent's office.

### District Governor to Lions Meet Speaker

No day-time meeting of the Hamlin Lions Club will be held next Tuesday because of the ladies' night banquet Tuesday evening at the Primary School cafeteria. President Edgar Duncan announced this week.

District Governor Lester Brooks of Iowa Park, will be speaker for the affair. Joe Childers of Abilene, international Lions director, also will be a guest.

### Auto Inspection Begins Saturday For Area Motorists

Hamlin area motorists were being advised this week that inspection of motor vehicles under provisions of the Texas motor vehicle inspection law will begin Saturday, September 15, and continue through April 15, 1957, according to the Texas Department of Public Safety.

Colonel Homer Garrison Jr., director of the department, said in announcing the inspection period that motorists should have their cars and trucks inspected as soon after September 15 as possible in order to save themselves the inconvenience and delay usually associated with the inspection procedure.

George W. Busby, chief of the DPS motor vehicle inspection division, stated that more than 4,200 licensed inspection stations in the state would have sufficient supplies of stickers on hand by the starting date and would be equipped to check vehicles without delay.

Five inspection stations were designated in Hamlin last year.

**FIRST SOIL BANK PAYMENT**—Charles B. McClure, Burkburnett farmer, accepts check at Wichita Falls for \$1,225.12 for 29.7 acres of cotton plowed under the 1956 soil bank program. R. C. Platt, soil bank specialist at College Station, said it was believed the first such payment made in Texas and one of the first in the nation. Making the presentation is Clerk Wenzella Walsh. Bob Crocker, ASC man (center) looks on.

### Back-to-Church Movement Pushed By Minister Group

Back-to-church movement is being conducted during the month of September in the churches of Hamlin under the leadership of the Hamlin Ministerial Alliance, according to officials of that organization.

Publicity being promoted by the pastors' organization is emphasizing: "Vacation is over. Your church is calling you. Heed this call in person. Lead the way for others."

"The church represents the force that is to save the world from destruction. The church has conceived and sponsored most of the great reforms. The church gives the urge of leadership, supplies encouragement when despondent, and offers rebuke when self-confident. The church is the best place to share our abilities and resources. The church at its worst is still the world's best."

"Church going families are happy families. Because the statistics indicate that only one-fourth of our citizens attend church regularly, we wish to urge Hamlin to this special call—to make September a record month in church attendance."

### Library Open Hours Moved to Afternoon

Operating hours of the Hamlin Memorial Library were changed from morning to afternoon when a called meeting of the Hamlin Woman's Forum, sponsor of the library, was held September 5 in the Hamlin High School library room.

The library will be open each afternoon from 1:00 to 5:00 o'clock.

Mrs. Jerry Rolfs will be in charge on Monday and Thursday afternoons, and members of the nine participating forum clubs will serve on the remaining days of the week. Each club will furnish a librarian for one week, the session decided.

### First P-TA Meeting of Year Set Thursday

First meeting of the new year has been scheduled by the Hamlin Elementary Parent-Teacher Association for this (Thursday) evening at 7:30 o'clock at the Primary School cafeteria, announce P-TA officials.

This will be a get-acquainted meeting for parents and teachers, it is announced.

**GOVERNOR HITS AT LIBERALS**—Governor Allan Shivers locks over a booklet put out by the Liberal faction, which has fought Shivers' conservative group for years, during his press conference in Austin, and warned that the anti-Shivers group would try to seize control of the Fort Worth Democratic convention. He predicted a conservative convention.

## First Baptists Call Ranger Minister

Rev. Calvin Bailey, 30-year-old pastor of the Second Baptist Church of Ranger, was extended a call to the pastorate of the Hamlin First Baptist Church Sunday night following the evening preaching service.

Answer about acceptance of the call is expected to be given Sunday morning at the morning worship services of the local church, officials of the congregation told a Herald representative Tuesday. Young Bailey had indicated he would accept the pastorate, but wanted to confer with his church

at Ranger before making the decision, declared M. H. Castleberry, chairman of the pulp committee of the local church.

The Hamlin church has been without a pastor since June 24 when Rev. Houston Walker went to the Arnett-Benson Baptist Church in Lubbock.

Bailey had filled the pulpit at both services at the church Sunday. The call was extended as a unanimous decision by attendants at the evening service.

Young Bailey has been pastor of the Ranger church for two years. The congregation has made good growth during his pastorate, members of the local pulp committee declared.

### Top Attendance of Year Recorded by City Sunday Schools

Top attendance for the year was attained Sunday by the 13 reporting churches when 1,400 were recorded. This compared with 1,276 for the previous Sunday and with 1,200 a year ago.

Totals by churches for September 2, September 9 and a year ago follow:

Churches—	Sept. 2	Sept. 9	Year Ago
First Baptist	338	424	395
No. Central Baptist	84	93	41
Oak Gr. Col. Baptist	51	57	36

### Hamlin FFA Group Presents Program on Station at Stamford

Members of the Hamlin Future Farmers of America chapter participated in the FFA radio program over Station KDWT, Stamford, Saturday. This program was sponsored by the Jones County Implement Company of Stamford.

Purpose of the program is to inform the people of the work being done by the various chapters. This series of radio program started August 1 and can be heard every Saturday at 12:15 over Station KDWT.

Saturday the Hamlin chapter presented a program concerning their experiences in raising blue grass.

Members of the team were Joe Cowan, Davey Weaver and Jerry Jay, senior agriculture boys, advised by Harold Eades and T. C. Blankenship, VA teachers.

## Hamlin Area to Be Well Represented At Various Colleges and Universities

Young people of the Hamlin region were leaving by the dozens for colleges and universities for school terms this week—or were preparing to leave within the next several days—as they prepare to further their educations in literary and technical fields as well as preparing for business careers.

For the most part, colleges fairly close to home base were being selected, but a few out-of-state schools also were attracting students.

Tabulations made by The Herald at mid-week may not include all the college students, and the paper would like to be advised of any omissions.

By colleges the students leaving include:

Draughon's Business College at Abilene—Marcene Crawford and Ann Cochran.

Arlington State College at Arlington—Justin Rowland.

Hardin-Simmons University at Abilene—Carl Young and Tucker Newland.

North Texas State College at Denton—Lusara Dean, Reba Roland, David Cowan, Lawrence Cook, Peggy Briscoe and Joe Ray Rosenbaum.

Texas Technological College at Lubbock—Duck Weaver, Tobye Selers Weaver, Clifford Eoff, Atha Lea Grice and Angela Malouf.

Abilene Christian College at Abilene—James Eddie Jay.

McMurry College at Abilene—Mary Sue Daniels and Ann Holt.

Bethany-Peniel Nazarene College at Bethany, Oklahoma—Bobby Norton, Melvin Hames and Jeannette Higdon.

Texas Christian University at Fort Worth—Mary Willingham and Pat Rector.

Texas State College for Women

## Nearly Million Dollars to Go to Farmers of Area

Jones County farmers are due to begin receiving their soil bank crop payment checks within a few days, it was indicated this week by the state office of the Agricultural Stabilization and Conservation Committee, in reply to queries made by the farmers.

In fact, the first check under the soil bank program was paid last week to a Burkburnett farmer, according to state news dispatches.

Total of \$882,366 is due to be paid to Jones County growers, according to tabulations made by the county ASC office at Anson several days ago.

About 1,900 Jones County farmers will participate in the government payments for crops plowed under or those that failed to make because of the drought. A total of 71,154.7 acres were signed by the farmers for the program.

ASC county Chairman W. H. Cook tabulated the acres signed for the program as follows: 27,682.3 acres of wheat, which will pay \$159,744.80; 43,185.3 acres of cotton, which will pay \$720,326.56; and 287.1 acres of peanuts, which will draw \$2,295.10.

### DePriest School P-TA To Get Band Uniforms

Members of the Parent-Teacher Association of DePriest Colored School met Monday evening for the purpose of electing new officers and outlining plans for the year's work. Mrs. Billie Wansley was elected president of the unit. Other officers are to be elected at the next meeting.

Principal project approved for the P-TA was to work toward the securing of new uniforms for the band.

Methods of raising funds to purchase the uniforms will be discussed at the next meeting of the P-TA group, it is announced.

at Denton—Mary Lou Amerson, Betty Sue Amerson.

Texas A. & M. College—Doyle Brinegar and Don Young.

Palmar College at San Marcos, California—Milton Crow.

Southern Methodist University at Dallas—Holly Toler.

Five new citizens have been recorded at the Hamlin Memorial Hospital since last report in The Herald. Two girls and three boys, they are:

A girl for Rev. and Mrs. Luther Walker of McCauley was born August 27 at 10:35 a. m. The seven-pound two-ounce little miss will answer to Karen Elaine.

A boy arrived for Mr. and Mrs. James F. Bishop of Hamlin September 3 at 9:23 p. m. After tipping the scales at seven pounds 13 ounces, he accepted Britt Dixon for a label.

A girl arrived for Mr. and Mrs. Bill Shira of Hamlin September 9 at 8:45 a. m. She will answer to Ruby Luann. She weighed eight pounds on arrival.

A boy was born to Mr. and Mrs. Charles Marshall Jr. of Hamlin September 9 at 7:55 p. m. The lightweight of the five at four pounds 13 ounces, he has been named Oscar Charles.

A boy was delivered to Mr. and Mrs. Donald E. Oliphant of Hamlin at 11:05 a. m. September 10. After balancing the scales at six pounds nine ounces he was named Tommy Gene.

## UNCLE SAM'S BUDGET SYSTEM NOT BUSINESSLIKE

In urging the adoption of the principles of the Hoover report, to streamline and economize the operation of our government, the U. S. Chamber of Commerce had an interesting thought. We quote: "An easy way for any business to go broke would be to adopt Uncle Sam's system of budgeting and accounting," and it goes on to point out, "Under this system Congress is appropriating money for a single year that won't be spent for some time to come."

Some of the things they are spending money for take more than a year to build. Hence, vast sums accumulate in the federal departments which will not revert to Congress, but stay with the departments, beyond the control of Congress. For the year ending June, 1956, this unexpended sum is estimated at \$53,900,000,000.

With that kind of money clogging up the pipelines of future spending, the opportunity for laxness and waste is all too tempting.

## In Interest of Survival

In these days when successful farming is a complete business and a highly skilled craft, modern farm equipment is absolutely essential. And many a farmer must sometimes wonder just what kind of industry produces that equipment. Is it a tight little group in which a few concerns are dominant and don't need to worry overmuch about competition?

The answer is an unqualified "No." An article in a recent issue of Fortune told the basic story when it said, "Some 1,500 U. S. companies are engaged in farm machinery manufacture. . . . Although competition for business is rough, there seems to be plenty of room for small companies with a good idea and a workable machine." Fortune then named several companies, regional and national, which were practically unknown a few years ago but have forged ahead and made solid successes.

The producers of farm equipment, in other words, are in the same position as the producers of practically everything else in widespread use. There are no monopolies. No one has any corner on ideas and innovations. The consumer, in this case the farmer, is offered a very wide selection when he starts looking around for a new piece of equipment. Each manufacturer and its dealers are competing vigorously with other manufacturers and their dealers. So each must, in the interest of survival, attempt to provide the most efficient and long lasting machine at the lowest price.

## Little Things Count

One day in Colorado a great stalwart tree fell down. It was 400 years old. It was a sapling when Columbus landed at San Salvador.

It had been struck by lightning 14 times. It had braved undaunted the storms of 400 years. It had defied earthquake and hurricane. It had laughed in scorn at the winter's blasts and blizzards that would have destroyed it.

But in the end the tiny little beetles killed it. They bored under the bark, dug into its heart, ate away its mighty fiber—and one day down came the lordly king of the forest. It is the little things that make us or break us.

As long as men are forced by the "union shop" to join a union and pay dues to that union in order to hold their jobs, the union has no moral right to use one penny of those dues for political purposes—Lovington, New Mexico, Leader.

We do not need to look to the federal government for help. Let's learn again the fine art of taking care of ourselves and our own.—Plainfield, Indiana, Messenger.

Under the report the Hoover Commission is urging Congress to adopt, they ask for legislation to require government agencies to prepare budget estimates on the basis of a year's anticipated needs, and all monies left over would revert to Congress for re-allocation.

Of course, as we see it, you would have to also make sure the agencies did not have executives who found a place at the last minute to spend all excess funds, just so they did not give up what they figured was "their share."

Human nature is a tough thing to control in any society, and the human element seems to figure, in this day and age, they need to spend all they can get their hands on, so no other department will get funds they might have used.

Someone said that when wealth is lost, nothing is lost; when health is lost, much is lost; and when character is lost, all is lost.

## Medical Code of Ethics

It is proposed that the American Medical Association reduce its code of ethics to a one-page document, which would mean a wordage cut of almost 90 per cent. This proposal will be up for final adoption at an AMA meeting to be held next December.

The projected new code deals entirely with ethical principles. These are of the highest importance to all who ever visit a doctor—which, of course, means everyone in the long run. Here are some of them:

The prime objective of the medical profession is to render service to humanity.

Doctors should try to increase their own knowledge and share it with others.

Doctors must expose unethical conduct of other doctors.

They should not permit anything to interfere with their independent medical judgment.

They should limit their professional income to medical services.

They should seek consultation on difficult cases.

They should participate in any community activity that has the object of improving the health and welfare of the people.

There is, of course, nothing new about any of these principles, except the admirably brief and simple wording. Doctors, with very few exceptions, have always held to the highest standards of ethics. One responsibility is paramount to all others—to do all for the patient that skill and knowledge will permit. There is no room in medicine for those who will not or cannot uphold such standards.

## TWO AMENDMENTS NEEDED

The "soak the rich" principle has ruined every country which ever tried it. "The more you produce the more you make." That's what made this country great. So it's very gratifying to know that 31 state Legislatures have passed resolutions asking Congress to propose a new constitutional amendment to limit the income tax to 25 per cent. When more states pass such a resolution, Congress will be required by the constitution to call a national convention to submit the amendment to the states.

If the politicians can't tax the money from us and can't borrow it, they can't get it. We sorely need a constitutional amendment drastically limiting, or maybe eliminating, the federal income tax. And another amendment limiting the federal debt. They would strike two great blows for freedom and democracy against the onrush of socialism. They should be supported by every patriotic American who believes in history and arithmetic.—The Farm and Ranch.

Dorothy Fern Routh left Friday for Midland, where she has accepted the position of public school music instructor. She was accompanied by her parents, Mr. and Mrs. Tom Routh.

## FIVE YEARS AGO.

Among happenings of the Hamlin community five years ago were the following, reproduced in brief from the issue of The Hamlin Herald dated September 14, 1951:

Rainfall in the Hamlin section has totaled 13.51 inches for the year so far, which is nearly normal for this period.

School enrollment in the Hamlin schools totaled 1,140 this week according to figures released by Superintendent I. R. Huchingson. This is a record enrollment for the local school system.

Bids on a proposed new municipal hospital for the City of Anson are due to be opened Friday.

The migratory labor camp erected by the Hamlin Chamber of Commerce is about ready for occupancy. It is scheduled to aid area farmers in securing transient labor for crop harvesting, according to Carl Murrell, CC president.

Production of more cotton this year than last season is seen by ginners and others. W. R. (Bill) Terry, Hamlin ginners, says he believes over 5,000 bales will be ginned here in comparison with last year's 4,300 bales.

## ONE YEAR AGO.

News items in the Hamlin community of one year ago included the following, condensed from the issue of The Hamlin Herald dated September 9, 1955:

Plans for the first annual homecoming of ex-students of Hamlin High School are going forward under the direction of Mrs. Bill Harbert and Mrs. Austin Poe. The gathering has been slated for October 14.

Lid on the football season will be blasted Friday night when two picked teams from Hamlin High School gridders will meet in a benefit game at the stadium.

New state taxes on gasoline, cigarettes, drivers' licenses and divorces became effective Tuesday.

Mrs. Holly Toler this week became the first Hamlin woman to be selected for duty on a county grand jury. Mrs. B. M. Brundage and Mrs. Bill Harbert also were called for jury duty.

## Farm Bureau Schedules Community Meetings in County To Talk Projects

September 22 was set as the tentative date for the annual convention of the Jones County Farm Bureau by the directors in their regular monthly meeting Monday evening at Anson officials of the organization announce. Every farmer, whether a member of the Farm Bureau or not, is urged to attend this meeting.

In addition to formulating recommendations and resolutions to be sent to the state convention, a report of county plans and progress will be made. Six new directors will be elected to fill the vacancies of those whose terms will expire. Delegates to the state convention, November 12-14, will also be selected.

A concentrated effort is being made to get every member of the Farm Bureau to participate in the development of policy for the organization from the county level to national headquarters, declares Harris Wright, service agent. Community meetings are planned throughout the county to allow every farmer an opportunity to make suggestions to be included in the resolutions adopted by the county convention and later forwarded to the state convention.

A tentative schedule for these meetings follows:

September 10—Neinda.

September 11—Hodges.  
September 14—Hawley.  
September 17—Ericksdahl, at Bethel Lutheran Church.  
September 18—Noodle.  
September 20—Tuxedo.  
September 21—Nugent.

All these meetings will begin at 8:00 p. m. Several door prizes will be given to members and non-members at the county convention September 22, at the Anson High School auditorium, it is announced.

## Area People Among Reunion Attendants

Approximately 250 persons, including several from the Hamlin area, attended the sixth annual Comanche County reunion Sunday at Mackenzie State Park in Lubbock. Following a basket lunch, an old fashioned sing-song was led by Ben Stephenson.

Officers elected for the next year, all from Lubbock, are: J. S. Seitem, president; R. D. Cox, vice president; Ben Stephenson, program chairman; and Mrs. Ben Stephenson, secretary.

The group set the fourth Sunday in August as the reunion date for 1957.

## Shortage of Good Cattle Reflected in Stocker and Feeder Sale at Fort Worth

Frank Reeves, dean of Southwestern livestock writers, in his account of the Angus stocker and feeder sale at Fort Worth last week, said, "The supply was short of the demand, and the pens were cleared early at strong prices. That about tells the story, declares Ted Gouddy, special market reporter for The Herald, who adds a few details in his release to the paper:

A total of 1,361 head were sold for a gross of \$113,624.24, for an average per head of \$83.32. Choice steers drew \$18 to \$26, and choice heifers drew \$17 to \$22.

This was about 1,300 head fewer in the sale than a year ago at this date and reflected the early movement that has taken place in the calf crop in this part of the country.

Twelve major markets reported almost 165,000 cattle and calves Monday, and the buyers sensed a lower market. However, after sparring around on the early rounds the trade at Fort Worth settled down to steady prices.

The offerings were mostly old cows and clean-up cattle and calves of various descriptions, indicating that cowmen in this territory are busily working pastures and getting herds shaped up for winter.

Buyers complained about the lack of high quality offerings in the run. However, some fed steers topped at \$24 and some fed heifers topped at \$23.

Comparative prices: Good and choice steers and heifers, \$17 to \$24; lower grades, \$10 to \$17; butcher and beef cows, \$9.50 to \$13; canners and cutters, \$6 to \$9.50; bulls, \$9 to \$13; good and choice fat calves, \$15 to \$18; lower grades, \$10 to \$14; stocker steer calves, \$14 to \$19; feeder steers and yearlings netted \$14 to \$20.

Hogs and sows opened steady at Fort Worth Monday. Choice meat hogs topped at \$17, and sows sold at \$13 to \$15. The off-weights and less desirable quality hogs bulked at \$14 to \$16.50.

Recent days have seen a pick-up in offerings of hogs over the country and this, coupled with the reports that feed sales of pig and hog feeds featuring stimulated growth factors has been very heavy, indicates the farms are rushing pigs to market to try and avoid the crush later this fall and winter.

Corn Belt experts in Iowa are predicting a \$13 to \$14 price on hogs when the peak runs hit in late fall or this winter. Last year they hit pretty close with a dire \$11 to \$12 prediction. Hogs did get to \$11 and under at times in the Corn Belt last year.

Top on fat lambs was \$30 at Fort Worth Monday, but something fancy was considered eligible to sell above that figure. Feeder lambs were in broad demand, some 65 to 85-pound feeders in the \$16 to \$16.50 slot. Fat yearlings sold around \$15 to \$16. Old wethers sold from \$12.50 down. Slaughter ewes held in line with last year's better market with most sales \$4 to \$4.50, and a few shells less money.

U. S. Department of Agriculture

Reason announced a 50,000-pound ground beef purchase program last week. The meat will be used for school lunch and other eligible federal relief programs. The beef purchase program was announced as movement of grass cattle became heavy all across the Western Plains. The program had been advocated earlier at a Washington meeting between USDA officials and members of the industry beef advisory committee made up of retailers, packers, producers, etc. It is the first beef purchase program in about two years aimed at support of livestock prices.

## People Urged to Save Broom Needs for Sale

Residents of the Hamlin community were being reminded this week of the forthcoming benefit broom sale that is being sponsored by the Hamlin Lions Club on Tuesday, September 25.

President Edgar Duncan and other Lions officials urged people to contemplate their present and future needs of brooms, mops, dusters, rubber door mats, etc. and purchase from the special truck that will be in Hamlin on September 25. The articles are made by crippled and blind persons. The Lions Club shares in the net

## Beef Consumption in Texas Hits New Peak

Beef raising ranchers of the Hamlin section and the rest of the country are gratified over the announcement that Texas beef eaters broke their own record and set an all-time high for summer beef consumption this year.

Results of a state-wide survey of food chains totaling 767 retail stores in all parts of the state were released this week by the Texas Beef Council. The council is now entering its third year of a state-wide educational program designed to increase beef consumption.

## Jones County 4-H Club Girls Compete in District Revue

Representing Jones County at the District III 4-H Club dress revue on Saturday, September 8, at the YWCA in Wichita Falls, was Beth Adkins, daughter of Mr. and Mrs. Ben Adkins of Anson, and Margaret Hunter, daughter of Mr. and Mrs. Ab Hunter of Noodle.

Beth modeled in the class with girls over 14. She modeled a brown tweed sheath dress trimmed with brown velvet. Her accessories were brown. She was competing for the honor of modeling with three other girls from District III at the state 4-H Club dress revue in October at the State Fair of Texas in Dallas.

Margaret, who was high point winner for the junior division of the county dress revue, modeled a black-and-gold cotton skirt and a white blouse suitable for school. The dresses for the junior division were not judged.

A luncheon was held at 12:30 p. m. following the revue. Accompanying the girls were Mrs. Ab Hunter and Mary Y. Newberry, Jones County home demonstration agent.

## Wesleyan Guild of Methodist Church Meets Monday Eve

First meeting at the new time of Monday evening of the Wesleyan Service Guild of the First Methodist Church was held Monday evening in the home of Mrs. Joe B. Stephens. Mrs. L. W. Shivers was assisting hostess.

Lulan Vaughan, the president, conducted the business meeting and announced the district meeting, which will be held in Haskell Sunday. Other officers for the year are: Mrs. Shivers, vice president; Mrs. Zelma Hulse, recording secretary; Mrs. E. M. Wilson, promotional secretary; and Mrs. H. A. Johnston, treasurer.

Georgia Moore gave the devotional, and Mrs. Shivers presented an outline of the year's work, the theme of which is "The Islands Await His Word," and read the quadrennial goals for 1956-60. Mrs. Stephens gave an interesting discussion on "How Real Is the Kingdom?" using the apostles' creed as the central theme.

Honored guest of the meeting was Mrs. M. T. Hudson, who was president of the Woman's Society of Christian Service when the Guild was organized.

The hostesses served a salad supper to Miss Vaughan, Mrs. Hudson, Miss Moore, Mrs. E. M. Wilson, Mrs. H. L. Williams, Mrs. Lillie Whittenburg, Mae James, Mrs. F. F. Shout, Mrs. A. B. French, Mrs. Zelma Hulse, Mrs. H. A. Johnston, Pearl Hudson and Mrs. Earl Brown.

The women's group formerly had been held on Tuesday evenings, according to guild leaders.

## CALIFORNIA VISITORS.

Mr. and Mrs. W. L. Cannon and daughters, Cheryl Susan and Cynthia Jane, of Port Hueneme, California, have been visiting their parents, Mr. and Mrs. Seth Adams Sr. at Hamlin and Mr. and Mrs. John Cannon at Lubbock. Mrs. Cannon is the former Jane Adams.

## County Club Women To Have Part in National Convention

Three Jones County women will have a part in the first opportunity of Texas in being host to the National Home Demonstration Council, September 23 to 26 at San Antonio. They are Mrs. Noel Weaver of Neunda, Mrs. Vernon Stanley of Comper and Mrs. Frank Carter of Goodman.

There will be delegations from 41 state organizations and Hawaii and Puerto Rico. More than 2,000 are expected. National council officers are: Mrs. J. Homer Remberg of Middletown, Maryland, president; and Mrs. E. L. Survant of Trinchera, Colorado, secretary.

On Sunday evening a vesper service will be in charge of Dr. Imogene Bentley, dean of women at North Texas State College at Denton. Theme of the meeting will be "Prepared unto Every Good Work."

Monday night will be Texas Night, and Tuesday morning the group will be addressed by Hon. Allan Shivers, governor of Texas.

What is the Home Demonstration program all about? A panel will be held Tuesday afternoon on citizenship, civil defense, family life, health and safety to answer this question.

A banquet, with an address by Oveta Culp Hobby, will close the meeting Wednesday night.

Where does Jones County fit into this? They have local Home Demonstration Clubs organized on a county basis. Counties are together in 12 districts, which in turn make up the state organization.

County delegates were nominated by their clubs and elected on a county basis. Mrs. Noel Weaver will serve as county chairman for 1956-57.

## Garden Club Meets in New Prewit Home

First meeting of the new club year of the Hamlin Garden Club will be held Friday afternoon at 3:00 o'clock in the new home of Mrs. Gene Prewit in the annual president's tea.

### Game Returning To Actual Players Russell Tells Lions

"The game of football is being turned back to the boys," declared Jack Russell, football enthusiast and member of the Central West Texas Football Officials Association, when he spoke at the Tuesday noon luncheon of Hamlin Lions Club at the oil mill guest house.

Russell explained several new rules that are being used by officials this year. Among those with an odd quirk were: Possibility to score with no time; time-outs for change of equipment being charged to the team; man-on-end of line being eligible for pass; and illegal sideline coaching.

Russell pointed out that eight Texas schools are on suspension from football this year because of violations of rules by fans. He declared such a rule is robbing some 400 boys from participating in a great sport. Haskell is one of those schools.

Fred Smith, B. V. Newberry, Jim H. King, W. A. Pattillo and Edgar Duncan were named as an arrangements committee for the ladies' night banquet next Tuesday evening at the Primary School cafeteria, when the district governor will be an honored guest.

Besides Russell, other guests at the Tuesday luncheon meeting included Max Murrell, Doyce Nix of Durango, Colorado, and D. D. Shelburne of Snyder.

### Four Hamlin Club Women Named to Federation Boards

Four Hamlin club women were recently named to the board of the First District, Texas Federation of Women's Clubs, for the 1956-58 administration when the group was announced by Mrs. W. Earl Buchanan of Fort Worth, district president.

The district board contains 10 departments that conform to the table of organization of the General Federation of Women's Clubs and three departments that are in the Texas Federation.

Mrs. Wilson Brannon of the Fifty-Two Study Club was appointed as Texas heritage department chairman. She will head the six divisions of this department.

Mrs. Noel Weaver of the Fifty-Two Study Club will serve as chairman of community service in the community affairs department.

Mrs. Ned Moore of the Fifty-Two Study Club will serve as adult education chairman in the education department.

Mrs. R. D. Moore of the Woman's Literary Club will serve as chairman of historical restoration and studies in American history in the Americanism department.

The First District board will have its first meeting October 11 in Fort Worth, it is announced.

### Accident Insurance For School Students Is Available Again

For the past several years the Hamlin schools have been offering the children of the schools accident insurance, reminds Superintendent C. F. Cook this week as the project is being formed for the school year.

This insurance is offered to the children for a cost of \$2 per year. Neither the school nor any other person receives any commission for this service. The insurance has paid 100 per cent all claims presented by the hospital and nurse of the schools.

The administration and teachers recommend that each child be insured under this policy. If any parent needs information in regard to the insurance, they are asked to call on any of the school officials.

Next week material will be given each child in the school explaining the coverage and other information, Cook states. "Please read completely, and if you are interested, send the envelope back to your child's teacher."

### Officers Elected by Sunday School Class

New officers for the ensuing church year were elected when members of the Ruth Sunday School Class of the North Central Avenue Baptist Church met in the home of Mrs. L. H. Clark for the business meeting last Thursday.

Officers named were: Mrs. J. L. Fudge, president; Mrs. V. Madden, vice president; Mrs. A. G. Anderson and Mrs. Frank Martin, group captains; Mrs. D. A. Mullings, reporter; Mrs. Melvin Waggoner, social chairman.

Eight members and five visitors attended the session. Next meeting will be in the home of Mrs. Melvin Waggoner on October 4.

### New Interest in Tennis Is Basis for Organization Meeting Monday Night

High interest in tennis activities will take concrete form Thursday night as the Hamlin Tennis Association organizes its group for the coming year, according to leaders of the movement to engender city-wide interest in the sport. The association will be composed of all active and inactive tennis enthusiasts in the Hamlin area.

Perhaps the largest active age group represented will be the junior division consisting of those boys and girls who are 18 or under. Hamlin is fortunate in having many fine players in that division.

The active adult division received a boost with the arrival of Max Murrell, who has played tennis in service and college. Several other

competent players live in or near Hamlin and it is hoped that they will respond to the call of the courts again.

This year the HTA will be one of the members of the West-Texas Tennis League being formed in Abilene. This league functions as a round-robin tournament of area cities. The league's purpose is to provide competition for its member teams, especially in the youth division.

Local tennis associations are urged by the league to sponsor their young people to as many tournaments as possible throughout the year. The HTA will make plans for tournaments after organization is complete.

Also the local HTA will sponsor another annual tournament.

### New Instruments for DePriest Band Arrive

Several new instruments have been added to equipment of the band at DePriest Colored School, according to announcement by Ellis Wamsley Jr., the new director of the music department. The new instruments include a bell lyre, drum and cymbals.

Wamsley states that he is trying to increase the standards of the DePriest music department.

Both band and choir units are doing good work. They are scheduled to appear in several parades and concerts during the year.

All local players and enthusiasts are invited to join the club, especially those who have youngsters in the development program.

The meeting will be in the high school cafeteria Monday evening at 7:30 o'clock.

### Harold H. Walker Doing Well in Dallas Air Conditioning Unit

Outstanding success has been recorded by Harold H. Walker of Dallas, husband of the former Betty Sellers of Hamlin, in the installation of air conditioning units in churches of Texas in recent months, declares an article in The Dallas Morning News.

Walker, connected with the Texas Refrigeration & Engineering Company of Dallas, says his concern pioneered year-round air conditioning in churches of Texas. Among his first installations was the air conditioning of the First Baptist Church of Brownfield.

Harold and his wife, daughter of Mr. and Mrs. Cecil Sellers of Hamlin, reside at 5403 Anita in Dallas with their two children, Vickie Anne, five, and Harold Jr., three.

### Lester Mintons Go to Funeral for Mother

Mr. and Mrs. Lester Minton and son, Wesley, went last week-end to Harlingen to be at the bedside of his mother, Mrs. D. A. Minton. Mrs. Minton died Saturday after a lingering illness.

Funeral services were conducted Sunday afternoon at 4:00 o'clock at a Harlingen church.

## Pied Pipers Go to Spur with Revenge in Eyes Friday Night

### Big Delegation to Follow Gridders In Auto Caravan

The Spur Bulldogs will furnish the opposition when the Hamlin High School Pied Pipers sally forth Friday night in their second football engagement of the season, the tilt again being played away from home.

Another big delegation of fans is expected to follow the Pipers to Spur, according to leaders of the Pied Piper Booster Club, which is sponsoring the booster caravan to the Dickens County metropolis.

Head Coach Truman Nix says his charges came through the Roby game and work-outs first of the week in good shape, and he expects to throw a tough charging aggregation at the Bulldogs. The Spur crew last year trimmed the Pipers by a 19 to 13 score.

Probably the same starting line-up will be used in the Spur game, Nix announced Tuesday. The starters are:

Jerry Jay.....Left end  
Charles Jenkins.....Left tackle  
Davey Weaver.....Left guard  
Murl Don Smith.....Center

### DISTRICT 4-AA STANDINGS

District 4-AA football teams got off to a good start last Friday night, winning three of their four encounters in non-conference tilts. Anson Tigers were the lone losers, going down before a strong Coleman Bluecat barrage on the Coleman griddle.

Opening standings look like this:

Stamford	1	1	0	1.000
Seymour	1	1	0	1.000
Hamlin	1	1	0	1.000
Anson	1	0	1	.000

**Results Last Week.**

Seymour 40, Crowell 0.  
Hamlin 34, Roby 6.  
Stamford 42, Quanah 12.  
Coleman 34, Anson 0.

**Where They Play Friday.**

Winters at Anson.  
Hamlin at Spur.  
Munday at Seymour.  
Ballinger at Stamford.

### Women's Golf Group Sets Tourney Tuesday

Hamlin Woman's Golf Association is sponsoring a nine-hole ladies' golf tournament next Tuesday at the Lakeview Golf Club, officials of the unit announce.

All women golfers wishing to participate should contact Mrs. M. L. Smith, tournament chairman, by Monday. The entrance fee will be 50 cents.

Play will begin Tuesday at 10:00 a. m. Attendants are asked to bring a sack lunch, and women who are unable to play are invited to bring their lunch and meet at the club house at 1:00 p. m. Coffee will be provided by the association.

### Pied Pipers Take First Grid Game From Roby 34 to 6

Hamlin High School's Pied Pipers opened their grid season last Friday night with a thumping 34 to 6 victory over the Class A Roby High School Lions before a crowd of 2,000 fans, the largest crowd to see a football game at Roby in five years.

After being held scoreless for the first period, the Pipers broke loose in the second frame with three touchdowns to take command of the tilt.

Quarterback Doug Ford skirted end for 48 yards to the two-yard spot, and then went over on a keeper play in the next down. Charles Jenkins converted.

Ford repeated his 42-yard run five minutes later, and Herbert Lakey went over for the marker. Jenkins again converted.

Still a little later Virgil Wilson got away for 73 yards, being stopped one yard short of pay dirt, and again Lakey plunged the oval over. The extra point failed.

Lobby scored its lone marker in the second period when Tim Giliham broke away for 70 yards and a touchdown, but Doug Simmons' try for extra point failed.

The Pied Pipers came back for more scoring in the third period when Lakey galloped 73 yards for a marker and Jenkins again converted. Jim Bryson completed the scoring with a 79-yard off-tackle play, and Jenkins again booted the extra pointer.

Guard Dee Prewit and Ends Lane Fletcher and Fred Jay were standouts for Hamlin on defense.

**VISIT AT WOODSON.**

Mr. and Mrs. W. E. Crow and Mr. and Mrs. F. M. Crow visited Sunday with Mrs. Kate Jones at Woodson. Mrs. Jones is a sister of Mrs. W. E. Crow and Mrs. F. M. Crow.

### District 4-AA Teams Come Through First Week's Round With Three Wins

Four member teams of the District 4-AA loop fared pretty well last Friday night in opening grid tilts only the Anson Tigers going down before their con-conference rivals the strong Coleman Bluecats, playing on the Coleman field. Hamlin defeated Roby at Roby, Stamford trimmed Quanah at Quanah, and Seymour, a new 4-AA member, downed Crowell on their home griddle.

Coleman's 34 to 0 defeat of the Jones County seat boys started only five plays after the kickoff, but the playing was not as lopsided as the score indicated. Anson racked up nine first downs to 16 for Coleman. The Bluecats made 226 yards rushing to 51 for the Tigers, and 106 yards in the air to 69 for Anson. Each team lost the ball twice by fumbles. Byerly account for half the Coleman points on his touchdown run, scoring pass and four conversions.

Seymour's Panthers waved a red flag at their new-conference grid-ders with a 40 to 0 triumph over the Crowell crew Friday night on their home gridiron. Larry Walling scored three touchdowns for Seymour, while other scores were racked up by Wesley Thorn, Larry Martin and Eddie Syptak. The half ended 13 to 0, but the Panthers came back strong to push the tallies up to 40 in the last half.

### Junior High Gridders Open Play Tuesday Against Albany Crew

Coach Harry Martin's Junior High School gridders are set to open the season against the defending champions of the junior high conference next Tuesday evening on the Pied Piper stadium.

Albany enjoyed an undefeated season last year, trouncing the little Pipers twice during the year. Tuesday's game time will be 7:00 o'clock.

Hamlin's starting line-up probably will be:

David Bonds.....	Left end
Craig Hester.....	Right end
George Deel.....	Left tackle
Gary Cooper.....	Right tackle
Henry O'Neal.....	Left guard
Bobby Ellison.....	Right guard
Gary Williams.....	Center
Mike Bonds.....	Quarterback
Jody Ford.....	Right halfback
Wayne Boatright.....	Left halfback
Wesley Cummings.....	Fullback

### Film of Hamlin-Roby Tilt Shown Boosters

Members and guests of the Pied Piper Booster Club saw a replay of Friday night's victory over the Roby Lions when a film of the grid season opener was shown Monday night at a regular booster group meeting.

The films, made by Johnny Steele and Clyde Lewis, were developed over the week-end.

Plans for another caravan of Pied Pipers backers to the Spur game Friday night were made by the booster club.

Game was not quite so lopsided as the 34 to 6 score would indicate. The Pipers made 14 first downs to six for Roby while racking up 433 yards to the Lions' 183. Hamlin also made 60 yards in the air on a pass. Roby completed one pass but made no gain.

### Four Hamlin Football Officials Begin Duties

Four Hamlin men last week-end began their football season service as officials at area football games.

They are Dean Witt, Billy Joe Wilson, Brad Rowland Jr. and Jack Russell. They are members of the Central West Texas Football Officials Association. They have recently attended football rules clinics, studying special rule and changes being included in this year's games of the section.

### Caravan of Boosters Off for Spur at 6:45

Another caravan of Pied Piper boosters is expected to spearhead the second game of the football season Friday night under the sponsorship of the Pied Piper Booster Club.

Cars of fans will meet at the high school building at 6:00 Friday evening, where they will be decorated by high school girls. They will then go in a group to Spur, departing about 6:45.

Eighty-two cars of fans took part in last week's trek to Roby, and much enthusiasm was generated by the caravan, declare booster club officials.

### Prewit and Fletcher Named Week's Pipers

Guard Dee Prewit and End Lane Fletcher were named Pipers of the Week by members of the Hamlin High School football crew this week.

Two players will be named each week as Pipers of the Week, it is announced by Head Coach Truman Nix. The boys will be featured in school preparations for the game of that week.

## Student Enrollment At DePriest School Passes 160 This Week

Enrollment at DePriest Colored School in Hamlin has passed the 160-student figure, declared E. S. Morgan, principal, this week, as class and extra curricular activity got rolling.

The students, along with the teachers, appear to be filled with school spirit and all are eager to put their best into the year ahead, asserted Morgan.

New equipment has been added to the school facilities, such as new desks for students and teachers; chairs and book shelves. The walls of all the rooms have been painted harmonious colors, which add to the enjoyment of school. "The school is very proud of the new facilities," the principal declared.

## James V. Wright of Hamlin Heads Area Barbers Association

James V. Wright of Hamlin was elected president of District 1 of the Barbers Association of Texas, at a banquet meeting held Tuesday evening at Aspermont.

Attending the banquet were barbers from Spur, Anson, Haksell, Aspermont, Rule, Hamlin, Munday, Rotan, Stamford and Rochester.

Newly-elected officers besides Wright are: Worth Gafford of Munday, vice president; James E. Simmons of Hamlin, secretary-treasurer. New committeemen were not chosen.

Outgoing officers for this district are D. J. Dyess of Spur, president; L. D. Trammell Jr. of Aspermont, vice president; U. D. Hardwick of Anson, secretary; J. O. Norris of Aspermont, executive committee chairman; Harry Lavender of Stamford, C. W. Barclay of Spur, Elmer Luck of Stamford and Floyd Cook of Haskell, committeemen.

## RED CROSS SERVES.

In 1881 there were only three chapters helping to provide Red Cross services. Today 3,713 Red Cross chapters serve every county in the United States and insular territories.

## Five 4-H Clubbers Of County Taking Part in Contests

State 4-H Club contests have attracted five Jones County 4-H Club members, according to W. H. Lehmberg, county agent, and Mary Y. Newberry, home demonstration agent.

All of the members' records have passed the district judges and have been sent to College Station, where the individual state winners will be selected. The state award in each of the contests is an expense paid trip to the National 4-H Club Congress, to be held in Chicago in November.

Beth Adkins entered the clothing contest sponsored by Clark & Coats, Inc. Nancy Hunter entered the food preparation contest sponsored by the Kelvinator Company. Patsy Wade entered the electric contest sponsored by the Westinghouse Foundation.

A. H. Roberts entered the Santa Fe contest sponsored by the Santa Fe Railroad. Jimmy Roberts entered the fields crops contest sponsored by Allied Chemical and Dyed Corporation. Delbert Wilson entered the entomology contest

sponsored by Hercules Powder Company.

To enter the state contests club members must be 14 years of age and must have completed at least three years of club work.

## LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new and convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger and appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this guarantee: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your drugist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by Howard City Drug Store, Hamlin. Mail orders filled.

## THE PARABLE

herefore speak I to them in parables; because they seeing see not; and hearing they hear not, neither do they understand.  
(St. Matthew 13:13)

THE PARABLE is the basis of all religious education. From infancy through adult life we learn spiritual truths only as they are interpreted for us in terms of every-day experience.

OUR CHURCHES follow the example of the Greatest Teacher. Simple precepts or more complex doctrines are brought to us in vivid illustration. Lessons, sermons, hymns—even church architecture and ritual—are full of human narrative, word pictures or traditional symbolism to help us grasp and apply God's truth.

SPIRITUAL MATURITY must come to us through the effective teaching and practical guidance our churches provide. Our souls cannot grow simply by seeing a church on the corner, or hearing folks talk about religion. Worshipping and learning every Sunday, we will understand Christian truth in living terms and use our understanding to serve God and man.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
